9:00-9:10 | 10:30-10:44 - KIDS ARRIVE

Team Welcomes Kids *(Providing Time for Fun Interactions)*

Summary: We finish the month looking at Matthew 22:34-40. With the greatest commandment, Jesus clarified what it meant to follow God. Instead of following hundreds of commands, Jesus said we are to love God and love others as we love ourselves. When we put this into practice, it helps us prioritize love in all of our relationships.

We're not meant to do life on our own. God made us for relationships. But for those relationships to thrive, we need to put love as the goal. We hope that kids start to understand how they can love the people God has put into their lives.

9:10-9:35 | 10:40-11:05 - LARGE GROUP

"Je-sus loves me.

2 lap pats – 2 claps

1. Early Arriver Idea

Create: an activity that explores spiritual ideas through the process of drawing, building, and designing

What You Need: Red, pink, purple, and/or white paper, scissors, crayons, zip-top baggies, permanent marker

What You Do:

- Invite kids to place their offerings in the *For Everyone* box on the wall near the main entrance
- Collect kids' offerings as they arrive and set out the supplies so kids can reach them.
- Tell kids to use the supplies to make hearts. Encourage them to be creative and make them however they wish. They can cut them out, draw them, etc.
- Show them how to fold a piece of paper in half to cut out a heart.
- Use the permanent marker to write each kid's name on a baggie. Tell kids to put their hearts inside their baggie to use again during Prayer.

[Memory Verse Activity]

Create: an activity that explores spiritual ideas through the process of drawing, building, and designing

What You Need: "Door Hangers" Activity Page, markers, decorating materials, Bibles

What You Do:

- Help kids look up Psalm 139:14 in their Bibles. Use the tips in Week One if needed.
- Read the verse aloud several times.
- Give each child a door hanger, and set out the markers and decorating materials.
- Read the door hanger, and point out the blank space.
- Tell kids to write their name in the blank space.
- Guide kids to each read/say the sentence with their name inserted.
- Give them time to color and decorate their door hangers.

What You Say:

"I want you to take these home and put them on a doorknob in the place you live to remind you that God made you to be special and amazing and wonderful. Today we learned that God also made you to love Him and to love others. That is so awesome! [Bottom Line] God made me to love others, and He made you to love others, too!"

3. Pray and Dismiss

[Prayer Activity]

Reflect: an activity that creates space for personal understanding and application

What You Need: Kids' hearts from Early Arriver

What You Do:

- Hand out kids' hearts from earlier.
- Challenge kids to think of people they can give their hearts to in order to show them love.
- Tell kids to hold their hearts as they silently pray for those people.

What You Say:

[Bottom Line] "God made me to love others, and He made you to love others, too! Don't forget to give those hearts to people this week in order to show them how much they are loved both by you AND by God."

As adults arrive to pick up, tell them to ask kids why they have hearts and who they're going to give them to.
