

PRESCHOOL

MAY 2023

FOR LEADERS ONLY

When given the opportunity, preschoolers are ready and willing to help because it shows the world they are big and can do things that matter. Need help stirring in the kitchen? Preschoolers to the rescue! Need help carrying groceries? Preschoolers to the rescue! Need help entertaining a fussy baby? Preschoolers to the rescue!

Could it be that the real reason preschoolers want to help is that God made them to help? We think so! That is why we will be spending this month answering the question "Who made you to help?" God made me to help! That's who! After all, God is the ultimate helper, and we are all made in God's image.

WEEK 1

Story Focus: God made me to help others. Jesus tells a story about a man who was hurt and found help in a most unlikely person . . . a Samaritan. The hurt man and the Samaritan were not friends, and that's putting it mildly. But when the Samaritan saw the hurt man on the side of the road, he came to the rescue making sure the hurt man got the help he needed.

WEEK 2

Story Focus: God made me to help my friends. Four friends come to the rescue by doing all they can to help get their friend to Jesus, even though it means lowering their friend down through a roof! The friend they are helping cannot walk, but, because of their willingness to do whatever it took, their friend met Jesus and WALKED out of that house.

WEEK 3

Story Focus: God made each of us to help in different ways. Tabitha helped widows by making clothes for them. Timothy helped by setting a good example for others to follow, in the way he talked and the choices he made. Timothy and Tabitha came to the rescue in the way God made them to help.

WEEK 4

Story Focus: God made me to look for ways to help. Rebekah goes above and beyond when it comes to being a helper. When a man asks her for a drink of water, she gladly gives it to him, and then she gives water to ALL of his camels, too! Rebekah comes to the rescue and shows us that when you look for ways to help, you'll find them.
