

MONTHLY OVERVIEW

GOD VIEW:

THE CONNECTION BETWEEN CREATIVITY AND GOD'S CHARACTER, AS SHOWN THROUGH GOD'S BIG STORY

When we look outside and see the beautiful world around us, we're reminded that God is great, powerful, and creative. From the birds flying high in the sky, to the planets orbiting the sun, to animals scampering around the earth, everything we see points to God's immense creativity. Jesus used creativity in the way He told parables, performed miracles, and helped His followers understand more about what it means to be part of God's kingdom. On top of that, we're created in God's image. We can solve problems, create art and music, and design skyscrapers high into the sky. When we create, we reflect the image of God to the world around us.
