- Dead faith is apathetic faith

Grows

Visible

In action

Believed

### CHALLENGE TO YOUTH:

Find time this week to dwell with Jesus and be reminded of what he has done for you.

- Grow - renewing of your mind
- Go - Live your faith out
- Believe - God will shine through you

## DISCUSSION QUESTIONS

- What is something God is calling you to have faith about this year?
- How has God shown up before in your life?
- What is something easy to have faith about? (Ex. games, food, friends)
- How can you personally live out your faith allowing God to shine through you?
