---

### Alec Williams

#### SCRIPTURE:

2 Samuel 12:13-20 (NLT)

#### MAIN POINTS:

- The way we react matters, it's a reflection of the posture of our heart
- Be in constant rhythms of worship and praise if we want our response to be of worship and praise

#### CHALLENGE TO YOUTH:

Take time to reflect the posture of our hearts and what you fill yourself with everyday. Make it a point each day to wake up and thank God.

### DISCUSSION QUESTIONS

- What if praise and worship was our first reaction and not a last resort?
- We won't react with something that we haven't practiced.
- What if the first thing we did every day was thank God?
