INTRO SKETCH

WHAT YOU NEED: star projector and small table; *Optional: extension cord and painter's tape*

Preset the small table in the storytelling area. Option: If the star projector isn't battery-operated, plug in an extension cord and tape the cord to the floor to prevent falls.

Host enters, carrying a star projector, as Worship Leader exits.

HOST: "Hello, friends! Welcome to [your environment or story time]!"

Place star projector on table. Option: Plug the star projector into the extension cord if the projector isn't battery-operated.

"My name is [your name], and I am SO glad you're here today! I have something exciting to show you!"

"I went camping with my [family member]. I was so excited to look at all of the stars in the sky at night. (*sadly*) But then it got cloudy, and I couldn't see any stars. I did not feel happy. I felt a little sad. But then my [family member] pulled this out of their backpack!"

Hold up the star projector.

"It's a star projector! When we turned it on . . ."

Turn on the star projector.

"It made stars inside of our tent, like this!"

Looks around at the stars.

"It made me feel happy to see all of the stars inside my tent."

"Have you ever seen stars in the sky? (*Pause.*) Stars are so beautiful!"

Put your pointer finger up to show that you have an idea! Place the projector on the table and hold your hands up like twinkling stars.

"Can you hold your hands up like this and twinkle your fingers like stars in the sky?"

Look around at the children.

"You're doing it! You look like the stars in the sky!"

Put your hands down.

"Our Bible Story today has stars in it. And I can't wait for you to hear all about it! I'll be back after the story! Bye!"

Storyteller enters as Host exits, leaving projector on the table.

CHILDREN AND HOST: "Got it!"
