

ANTHEM TRIBE TALKSHEET

Just Say Yes

SCRIPTURE:
Exodus 3 & 4

MAIN POINTS:

- God will call you to things all throughout your life, things that seem simpler, easy “yes” answers.
- What about when God calls you to something bigger?
- When we push back and find excuses of why we can't it removes faith and trust from our relationship with God.
- In those moments, we need to be willing to say “yes!” and believe God is in control

CHALLENGE YOUTH THIS WEEKEND:

- When God calls you to something, choose to trust! Choose to be obedient and let God work out the details for you. He might already have a plan in motion that you don't even know about yet.

DISCUSSION QUESTIONS

- Are you a planner? Do you work out details for things so you feel more relaxed?
- What do you do when someone asks you for something, but it doesn't make sense to you? Are you able to “go with the flow?”
- What are some things that God has asked of you that were easy? Why was it easy?
- What are some things that God has asked of you that were difficult? Why was it difficult?
- How does believing God's plans are already in motion help your faith?
