

# ANTHEM TRIBE TALKSHEET

## Parable of the Good Samaritan

### SCRIPTURE:

Luke 10:29-37

### MAIN POINTS:

- Who is my neighbor?
- Love in action, not just words

### CHALLENGE YOUTH THIS WEEKEND:

- Seek out opportunities to be modern-day Good Samaritans, performing intentional acts of kindness towards those in need and breaking down barriers that divide us. Let's be the hands and feet of love and compassion, just like the Samaritan who stopped to help the injured man on the road.

## DISCUSSION QUESTIONS

- Who stood out to you the most in this parable? Why?
- In what ways do you see yourself in the characters of the priest, the Levite, the Samaritan, or the injured man?
- Have you ever been in a situation where you were like the priest or the Levite, ignoring someone in need? How did you feel afterward?
- How can we practically apply the message of this parable in our daily lives?
