## Influential Decisions

### SCRIPTURE:

Proverbs 18:24  
Proverbs 12:26  
Matthew 15:14

### MAIN POINTS:

- Take time to make sure the influences and friends around us are good, positive, honest, truth bearing and point us to Jesus

### CHALLENGE YOUTH THIS WEEKEND:

- Take a moment to check on the people you have around you that influence you. Where do they point you? Do they help you find life? Or do they push you away from where you need to focus?

## DISCUSSION QUESTIONS

- What are some things or people that influence you?
- Why are they important to you?
- Do you ever wonder if they have your best interest at heart?
- How do you measure if someone is a good influence?
- How can your tribe be there to support you and encourage you better?
